DESCRIPTION

Our banner printing services are affordable and yet high-quality. We are specialized in large banner printing such as billboard printing, adhesive vinyl, mesh banners, and simply banners of any size and type.

Banners are available in 3 printing resolutions:

- 360 DPI Low resolution – Recommended for large banner printing above 5 x 5 ft and a 10 ft distance view – Printed in solvent large format printers.
- 720 DPI High resolution – Recommended for small or POP signs and when it is for short-range view
- 1200 DPI High resolution LATEX – A Waterbased HP Latex inks (Certified to UL's GREENGUARD GOLD for low chemical emissions into indoor air during product usage.)

USE AREAS OF BANNERS:

Typically used for billboards, building wraps, business and sales promotions, trade show signage, street advertising, and many more.
